Dear Sir,

We, Rajesh Karandikar & Alok Sambuddha, promoters of Truevibez Pvt. Ltd., would like to have your audience to present our ecommerce product built around hospitality industry, which will allow a new host of features and services to be offered to F&B merchants & their consumers.

This solution aims to enable restaurant businesses to extend new services to their customer in an unforeseen manner, and in course create a path of recovery from a demanding past couple of years, allowing mutual benefits both to restaurants & their customers.

It would be great to meet you and your team to walk them through our proposal and take feedback to understand feasibility of the solution's implementation with your support.

Many thanks for your time & we are also sharing a company & promoter's introductory presentation for your reference please.

Thanks & Regards

**Rajesh Karandikar  
&  
Alok Sambuddha**
